Art Careers

Setting a goal is an preliminary step toward academic achievement.

1. Fill in the blanks ...

- After high school, I want to pursue education to become this kind of artist:

- The path to this career is through (apprenticeship, college, other) ...

- Post-high school education would require what level of degree? (AA, BA, MFA, etc.)

- The college I will attend ... (CSU Hayward, FIDM, etc.)

- After completing training/education, my age will be ...

- I will be working (individually, on a team, in a corporation, with others) ...

- The application for financial aid is called ...

2. Describe in one page or more ... an art career choice and an education/training path.

Use your own research, information from your family, your counselors, a librarian and the web page noted below and its links to address the questions about a career in the arts.

- Identify an art career.
- What is the education and/or training path for that career?
- Does this career path required an apprenticeship?
- How prosperous will you be as an artist?
